Nnaemeka Innocent Ezema

EXPERIENCE

March 2019 - Current

Exam Invigilator University of Kent / University of Bradford |
Canterbury / Bradford, Kent / Lancashire

- Supervised students throughout the examination to deter cheating.
- Assisted with setting up examination hall.
- Communicated with other invigilators on possible student malpractice and reported to examination body.
- Ensured students abided by rules of the examination hall and practised correct exam conditions.

January 2013 - January 2016

Health and Safety Officer Green Magma Global Nig Limited |
Portharcourt, Rivers

- Making requisitions for all safety personal protective equipment (PPE) and life-saving appliances
- Liaise with the senior management to establish safety training needs
- Carry out a scheduled and unscheduled safety inspection of all sites
- Monitor employee compliance with statutory and client safety rules and regulations
- Coordinated monthly fire drills, ensuring emergency readiness.
- Instructed staffers during fire drills to gain awareness of proper evacuation routes and reporting techniques.
- Created and implemented programmes, policies and procedures designed to reduce or eliminate injuries and hazards in workplace.
- Reported safety hazards identified at sites and assisted with remedial actions.
- Created and compiled all safety training procedures into manuals, which were disseminated to all staff members
- Conducted regular inspections to guarantee compliance with fire, hazard and safety guidelines.

January 2011 - June 2011

Intern Engineering Geologist, Engineering Geology Laboratory
Uniport | Portharcourt, Rivers

- I carried out research on geotechnical index properties of soils between Emohua and Rumuji, both in Rivers State; to ascertain their suitability for roads and Civil Engineering Construction
- Achievement:

The results from the laboratory test showed that the soils from the two locations are reddish brown silty sands with a very small amount of clay, and it has a low maximum dry density and should be improved upon for sub-grade construction.

EDUCATION

2021

Post Graduate Diploma | Petroleum and Gas Engineering
University of Port Harcourt, Port Harcourt

2012

Bachelor of Technonlogy | Geology and Mining Technology
University of Port Harcourt, Port Harcourt
